Remarks

HUGE 5 bedroom 3 bath home with a heated salt-water pool and spa! There is a large bedroom and full bath downstairs, perfect for guests or next-gen living, and the 3-car garage offers plenty of storage space. Both HVAC systems were replaced 5 years ago, the water heater was replaced in 2022, and the exterior was repainted in 2023. The master bathroom was remodeled and includes a custom walk-in shower. The pool was built in 2021 by Presidential Pools, and includes deck jets, 2 waterfalls and firepots. The only remaining items on the to-do list are new interior paint and carpet, and the sellers are offering you a $10,000 CREDIT so you can pick the color and materials of your choice, and have a completely move-in ready home. See it before it's gone!
